**\*H3LM45**

The Army rank at discharge for variable H3LM45 was output incorrectly by the program, resulting in all of these values being set to missing during the cleaning process.

**Occupational Codes**

Due to a programming error, the fourth level of some occupations are missing. This occurred when the third occupational level had only one job category. The program correctly assigned the third level, not making the respondent select this occupation when there was not a choice to be made and then erroneously skipped the fourth level, assuming there was no choice to be
