Section 30: Joint Occurrences—Audio CASI

Section 30 focuses on the concurrence of dangerous behaviors. Only respondents who have reported a behavior are asked the pertinent questions in this section. For example, only a respondent who has reported both sexual intercourse and drinking alcohol is asked questions 1-4. A respondent who has reported neither intercourse nor drinking nor using illegal drugs is asked only questions 25-26.

The next questions ask about situations that often happen to people at the same time.
