Section 24: Relationship Information—Audio CASI

Section 24 collects information about each romantic relationship identified in Section 21 or 22. (If no relationships were identified, this section is skipped.) Information includes beginning and ending dates of the relationship, characteristics of the romantic relationship partner, and activities within the relationship. Security procedures prevent the identification of romantic relationship partners by researchers.

Ask the questions in this section for each person in the Romantic Relationship Roster.

Now we are going to ask you questions about the people you listed earlier as romantic relationship partners.

1.	In what month [and year] did your romantic relationship with {INITIALS} begin? That is, when did you first consider {INITIALS} a special friend?		
	If you don't remember the month, press the [F8] key for month and enter year. If you don't remember the year, press [F8] again for year.		
	If you don't consider this person to be a romantic friend, enter "00" for both month and year. <i>[This is an answer option for a partner transferred from the Liked Relationship Section or for a partner entered from the Romantic Relationship Section for whom S.21,Q.4 or S.21,Q.5 or S.21,Q.6 = "no." If month = "00" and year = "00," skip to the next partner or next section.]</i>	H2RI1M_1	num 2
