### Section 27: Tobacco, Alcohol, Drugs—Audio CASI

Section 27—which deals with smoking cigarettes, drinking alcohol, using illegal drugs, and access to tobacco, alcohol, and drugs—is administered to all respondents. Skip patterns ensure that respondents are asked as few questions as possible.

Some teenagers have experimented with cigarette smoking, drinking alcohol and drug use. The questions that follow ask about your experience with these things. Remember, your answers will not be linked to you.
