Acknowledgement:

Data collection and dissemination for Wave VI of Add Health was funded by cooperative agreements UO1 AG071448 (PI: Robert A. Hummer) and UO1 AG071450 (MPIs: Robert A. Hummer and Allison E. Aiello) from the National Institute on Aging to the University of North Carolina at Chapel Hill, with cooperative funding from five other institutes and offices at the National Institutes of Health: the Eunice Kennedy Shriver National Institute of Child Health and Human Development, the National Institute on Minority Health and Health Disparities, the National Institute on Drug Abuse, the Office of Disease Prevention, and the Office of Behavioral and Social Science Research. Waves I-V of Add Health were funded by grant PO1 HD31921 from the Eunice Kennedy Shriver National Institute of Child Health and Human Development, with cooperative funding from 23 other federal agencies and foundations. Add Health is currently directed by Robert A. Hummer at the University of North Carolina at Chapel Hill. Add Health was designed by J. Richard Udry, Peter S. Bearman, and Kathleen Mullan Harris at the University of North Carolina at Chapel Hill.

The creation of this contextual database was supported in part by the National Institute on Aging of the National Institutes of Health (NIH) under Award Number R01AG077947. The content is solely the responsibility of the authors and does not necessarily represent the official views of the NIH.

We would also like to acknowledge Dr. Patricia Homan for her advice, guidance, and provision of archived data from the National Conference of State Legislatures.

Important Note: The above acknowledgement should be included in all presentations and publications using the Structural Racism Database Release 1 data from Wave VI of Add Health.
