The National Longitudinal Study of Adolescent to Adult Health

Population Association of America 2026 | May 6-9, 2026

Poster Presentations

Thursday, May 7, 2026

8:30 AM - 10:00 AM | Demography, Public Policy and Legal Institutions/Neighborhoods, Communities and Urbanization/Spatial and Environmental Demography | Room 220-227

Public Place, Neighborhood Cohesion, and Youth Emotional Well-being by Rurality

M. Gilmer, University of North Carolina at Greensboro; K. Sattler, University of North Carolina at Greensboro.

4:30 PM - 6:30 PM | Health and Health Behavior | Room 220-227

Cumulative Exposure to Short Sleep Duration from Adolescence to Early Midlife and Early Midlife Epigenetic Aging

J. Meyer, University of Kansas Medical Center; B. Levitt, University of North Carolina at Chapel Hill; A. Aiello, Columbia University; C. Martin, University of North Carolina at Chapel Hill; L. Gaydosh, University of North Carolina at Chapel Hill; K. M. Harris, University of North Carolina at Chapel Hill.

Friday, May 8, 2026

10:30 AM - 12:00 PM | Aging and the Life Course/Children, Youth and Intergenerational Ties | Room 220-227

Incarceration, Epigenetic Aging, and All-Cause Mortality among U.S. Adults Entering Midlife

S. Tuder, University of North Carolina at Chapel Hill; C. Martin, University of North Carolina at Chapel Hill; T. Hargrove, University of Maryland, College Park; C. Boen, Brown University; A. Sorensen D'Alessio, University of North Carolina at Chapel Hill; K. M. Harris, University of North Carolina at Chapel Hill; A. Aiello, Columbia University; L. Gaydosh, University of North Carolina at Chapel Hill.

10:30 AM - 12:00 PM | Aging and the Life Course/Children, Youth and Intergenerational Ties | Room 220-227

Population Trends and Social Disparities in Cardiovascular-Kidney-Metabolic Syndrome

A. Owirodu, University of North Carolina at Chapel Hill.

10:30 AM - 12:00 PM | Aging and the Life Course/Children, Youth and Intergenerational Ties | Room 220-227

Reproductive Histories and the Menopausal Transition: Insights from the National Longitudinal Study of Adolescent to Adult Health

B. McCoy, University of North Carolina at Chapel Hill.

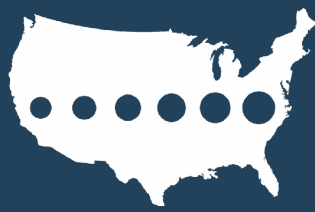

Flash Presentations

Friday, May 8, 2026

9:30 AM - 10:45 AM | Flash: Data Availability and Access | Room 103

Add Health as a Resource for U.S. Adult Population Health Research: A Comparison with NHIS and NHANES

A. Griffiths, Carolina Population Center; R. Hummer, Carolina Population Center.

The National Longitudinal Study of Adolescent to Adult Health

Population Association of America 2026 | May 6-9, 2026

Oral Presentations

Thursday, May 7, 2026

9:30 AM - 10:45 AM | Neighborhood Influences on Health and Wellbeing | Room 261

Neighborhood Poverty Duration, Timing, and Severity from Adolescence to Early Midlife and Biological Aging

A. Sorensen D'Alessio, University of North Carolina at Chapel Hill; K. M. Harris, University of North Carolina at Chapel Hill; A. Aiello, Columbia University; B. Levitt, University of North Carolina at Chapel Hill; S. Tuder, University of North Carolina at Chapel Hill; L. Gaydos, University of North Carolina at Chapel Hill; C. Martin, University of North Carolina at Chapel Hill.

11:00 AM - 12:15 PM | Population Dynamics | Room 263

Who's Here and Who's Queer? Changing Sexual Identity Across Young Adulthood

S. Petry, University of North Carolina at Chapel Hill; K. M. Harris, University of North Carolina at Chapel Hill; C. Halpern, University of North Carolina at Chapel Hill.

1:30 PM - 2:45 PM | Biosocial Approaches to Aging Research | Room 104

Linking Social Phenotypes and Biological Aging: A Life Course Analysis from Three Harmonized U.S. Studies

H. Jiang, University of North Carolina at Chapel Hill; C. Martz, The University of Central Florida; J. Faul, University of Michigan at Ann Arbor; C. Mitchell, University of Michigan; A. Aiello, Columbia University; K. M. Harris, University of North Carolina at Chapel Hill; C. Martin, University of North Carolina at Chapel Hill; L. Gaydos, University of North Carolina at Chapel Hill.

Friday, May 8, 2026

9:30 AM - 10:45 AM | Biomarkers, Race/Ethnicity, and Social Processes | Room 100

Disparities in Women's Biological Aging by Reproductive History in Early Midlife: Findings from Add Health

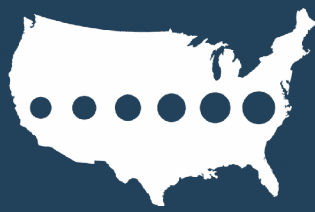

S. Koning, University of Nevada, Reno; T. Hargrove, University of Maryland, College Park; T. Mcdade, Northwestern University; K. M. Harris, University of North Carolina at Chapel Hill.

Saturday, May 9, 2026

8:30 AM - 9:45 AM | Social, Political, and Structural Determinants of Health and Mortality | Room 241

Oral presentation Subjective Social Status and Mortality Risk Among Young Adults in the United States

C. Graham, Texas A&M University; R. Hummer, Carolina Population Center.
