

2016 Add Health Users Conference Agenda June 20-21, 2016

Natcher Building and Conference Center
NIH Campus, Bethesda, Maryland

Monday, June 20, 2016

8:00 Registration

9:00 Welcoming Remarks – Main Auditorium

Presenter: Della Hann

Director, Division of Extramural Research, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development

9:15 Plenary Session – Add Health: Fieldwork and Findings

Moderator: Kathleen Mullan Harris

Director, National Longitudinal Study of Adolescent to Adult Health

Principal Investigator, Add Health Parent Study, University of North Carolina at Chapel Hill

Presenter: Kathleen Mullan Harris

Director, National Longitudinal Study of Adolescent to Adult Health

Principal Investigator, Add Health Parent Study, University of North Carolina at Chapel Hill

Presenter: Carolyn Halpern

Deputy Director, National Longitudinal Study of Adolescent to Adult Health, University of North Carolina at Chapel Hill

Presenter: Eric Whitsel

Co-Principal Investigator, Biology of Chronic Disease Emergence Project, National Longitudinal Study of Adolescent to Adult Health, University of North Carolina at Chapel Hill

Presenter: Jon Hussey

Principal Investigator, Birth Records Project, National Longitudinal Study of Adolescent to Adult Health, University of North Carolina at Chapel Hill

Presenter: V. Joseph Hotz

Principal Investigator, Add Health Parent Study, Duke University

Family Background, Skin Color and Contact with the Criminal Justice System

Jessica M. Kizer, University of California, Irvine

Polygenic Predisposition to Educational Attainment and Characteristics of Individuals and Their Environments: Evidence from the Add Health Study

Benjamin Domingue, Stanford University

10:45 Break

11:00 Breakout Session 1

Methodology Session: Overview of Add Health for New Data Users – Balcony B

Presenters: Kathleen Mullan Harris, University of North Carolina at Chapel Hill & Ashley Sorgi, University of North Carolina at Chapel Hill

Paper Session 1: Finances and Labor Market – Balcony C

Moderator: Jessica Escobedo, National Institute on Minority Health and Health Disparities

The Rich get Richer...and So Do the Attractive? Ascribed Socioeconomic Status, Physical Attractiveness, and Achieved SES

Christopher Dennison, Bowling Green State University

Socioeconomic Status and Health among Transitions from Adolescent to Early Adulthood: Potential Mediating Factors

Tze-Li Hsu, Sam Houston State University

Jin Young Choi, James B. Stykes, coauthors

Party Hard, Live large: Adolescents' Alcohol Consumption and Future Wages

Tian Lou, University of Connecticut

Household Financial Assets and Health Disparities among Adults

Shiyou Wu, University of North Carolina at Chapel Hill

Kathleen Mullan Harris, Qi Wu, coauthors

Paper Session 2: Childbearing and Contraception – Room D

Moderator: Rosalind King, Eunice Kennedy Shriver National Institute of Child Health and Human Development

The Heterogeneous Treatment Effects of Teenage Childbearing on College Attendance: In the Case of the Violation of the Ignorability Assumption

Kiwoong Park, University at Albany, State University of New York

Approaches for Addressing Missing Data in Statistical Analyses of Female and Male Adolescent Fertility

Eugenia Conde, Texas A&M University

Dudley Poston, coauthor

The Social Determinants of Health: Associations with Adolescent Pregnancy

Sarah Maness, University of Oklahoma

Ellen Daley, Julie Baldwin, Jeffrey Kromrey, Eric R. Buhi, coauthors

Are Sibling Estimates Admissible Evidence for the Consequences of Teenage Childbearing?

Sanders Korenman, Baruch College of the City University of New York

Frank Heiland, Rachel A. Smith, coauthors

Abortion and Mental Health in Early Adulthood: Longitudinal Evidence from the United States

Paul Sullins, The Catholic University of America

12:30 Lunch

1:30 Breakout Session 2

Methodology Session: Overview of Ancillary Study Applications – Adding Supplemental Data to Add Health – Balcony C

Presenters: Robert Hummer, University of North Carolina at Chapel Hill & Kara Joyner, Bowling Green State University

Paper Session 3: Cardiovascular and Metabolic Disease – Room D

Moderator: Stefanie Hinkle, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development

Adolescent Exposure to Community Violence and Adulthood CRP: A Stress Process Model
Max Reason, University of North Carolina at Chapel Hill

Same-sex Sexuality and Diabetes: A National Longitudinal Study of Adolescent to Young Adulthood
I-Chien Chen, Michigan State University

Mediators between Childhood/Adolescent Adversity, Adolescent SES, and Cardiovascular Disease Risk in Early Adulthood
Jenalee Doom, University of Minnesota
Cari Clark, coauthor

The Effects of Early Childhood Acculturation on Cardiometabolic Risk in Adulthood among Latina/os
Audrey Taylor, Willamette University
Michael Nino, coauthor

Paper Session 4: Education – Balcony B

Moderator: Nancy Dole, University of North Carolina at Chapel Hill

The Impact of Adolescent Physical Activity on Educational Attainment
Kenneth Lee, University of California, Irvine

The Thing about Schools: A Multilevel Analysis of the Educational Attainment of Mexican Americans
Mara Getz Sheftel, City University of New York
Karen Amaka Okigbo, City University of New York

Measuring Adolescent Family Environments and Their Impacts amidst Increasing Family Complexity
Julia Arroyo, University of Florida

Childhood Bereavement as a Mechanism of Cumulative Disadvantage
Margaret E. Gaines, Virginia Polytechnic Institute and State University

Education and Young Adult Cardiovascular Health
Elizabeth M. Lawrence, University of North Carolina at Chapel Hill
Robert A. Hummer, coauthor

3:00 Break

3:30 Breakout Session 3

Methodology Session: Add Health Genetic Data and Genome Wide Association Study – Balcony B

Presenters: Christy Avery, University of North Carolina at Chapel Hill & Ben Domingue, Stanford University

Paper Session 5: Risky Behaviors – Balcony C

Moderator: Denise Haynie, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development

Smoking and Weight Status: Understanding the Relationship of Cigarette Smoking Trajectories through Adolescence and Weight Status in Young Adulthood in the US

Minal Patel, National Cancer Institute

Annette Kaufman, coauthor

The Relationship between Alcohol Use and Gambling in Emerging Adulthood

Hyun-Jin Jun, University of Maryland, Baltimore

Donna Harrington, Paul Sacco, coauthors

Long-term Impacts of Substance Use at First Sexual Encounter

Sarah E. Underwood, Saint Louis University

T. Loux, coauthor

Female Adolescent Eating Disorders or Disordered Eating Behaviors, Delinquency, Risky Sexual Behaviors, and Number of Children in Early Adulthood

Jennifer Tabler, University of Texas Rio Grande Valley

Paper Session 6: Romantic Relationships and Sexual Behavior – Room D

Moderator: Susan Newcomer, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development

Examining Sexual Initiation Patterns and Links to Adult Relationship Histories

Gary Glick, University of North Carolina at Chapel Hill

Carolyn Halpern, coauthor

Variability in the Accuracy of Young Men's Reports of Their Partner's Hormonal Contraceptive Use

Elizabeth Karberg, Child Trends

Jennifer Manlove, Elizabeth Wildsmith, Mindy Scott, coauthors

Differences in Romantic Relationship Satisfaction among Normal Weight, Overweight, and Obese Women

Caren Steinway, The Children's Hospital of Philadelphia

Felipe Garcia-Espana, David Webb, Jennifer Harding, Jennifer Culhane, Alison Hipwell, Aletha Akers, coauthors

5:00 Adjourn

Tuesday, June 21, 2016

8:30 Breakout Session 4

Methodology Session: Methods for Multilevel Modeling and Design Effects in Add Health – Balcony C

Presenter: Sharon Christ, Purdue University

Paper Session 7: Psychological Health – Room D

Moderator: Carolyn Halpern, University of North Carolina at Chapel Hill

Developmental Gene-environment Interplay in Adult Antisocial Behaviors

James J. Li, University of Wisconsin–Madison

Crisis versus Chronic Strain Responses to Adolescent Stressors

Julie Skalamera Olson, University of Texas at Austin

Insights into Potential Biomarkers of Resilience in Adolescents

Sarah E. Underwood, Saint Louis University

Jin Huang, coauthor

Adolescent Exposure to Community Violence and Depressive Symptoms among Adolescents and Young Adults: Understanding the Effect of Mental Health Service Usage

Wan-Yi Chen, West Chester University

Yookyong Lee, coauthor

Paper Session 8: Victimization and Crime/Delinquency – Balcony B

Moderator: Jon Hussey, University of North Carolina at Chapel Hill

Parental Incarceration and Neighborhood Attainment

Jessica Finkeldey, Bowling Green State University

Trajectories of Criminal Offending: Does Timing of Transition into Parenthood Matter?

Jessica Ziegler, Bowling Green State University

A Multidimensional Analysis of Youth Assault Injury Influences

Diana F. Wilkerson, Walden University

Peter B. Anderson, coauthor

The Overlap of Domestic Violence across the Life Course

Amaia Iratzoqui, University of Memphis

A Safe Place to Grow Up? Trajectories of Adolescent Violent Victimization across Neighborhood Types

Tara Warner, University of Nebraska-Lincoln

10:00 Break

10:15 Breakout Session 5

Methodology Session: Add Health Biomarker Data – Balcony B

Presenter: Eric Whitsel, University of North Carolina at Chapel Hill

Paper Session 9: Childhood Maltreatment – Balcony C

Moderator: Valerie Maholmes, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development

Resilience among Neglected Children through Young Adulthood: The Impact of Social Networks
Elizabeth Beatriz, Northeastern University

The Lasting Mental Health Burden of Experiencing Parental Psychological Neglect in Adolescence

Elizabeth C. Coppola, Purdue University

Sharon L. Christ, Abigail M. Johnson, coauthors

The Effects of Adverse Childhood Experiences on Subsequent Injury in Young Adulthood: Findings from the National Longitudinal Study of Adolescent to Adult Health

Michelle Sotero, University of Nevada, Las Vegas

Childhood Abuse History and Early Adulthood Health

Ying Huang, University at Albany, State University of New York

Weihui Zhang, coauthor

Paper Session 10: Social Networks and Peers – Room D

Moderator: Denise Haynie, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development

Social Network Characteristics of Adolescents with Learning Disabilities

Elizabeth Humberstone, Johns Hopkins University

Extracurricular Activities and Adolescent Friendships: Do the Benefits of Participating Vary by Mental Health Indicators?

David R. Schaefer, Arizona State University

Andrea Vest Etekal, coauthor

Gender and Racial Peer Effects with Endogenous Network Formation

Xu Lin, Wayne State University

An Exploratory Study of Sustained Friendship and Criminal Activity across the Life-Course

Kiesha Warren-Gordon, Ball State University

Michael Brown, coauthor

11:45 Lunch

12:45 Breakout Session 6

Methodology Session: Add Health Relationship and Fertility Data – Balcony C

Presenter: Bianka Reese, University of North Carolina at Chapel Hill

Paper Session 11: Race/Ethnicity – Room D

Moderator, Della White, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development

Trajectories of Risky Behaviors in Adolescents by Race and Ethnicity

Thomas McCoy, University of North Carolina at Greensboro
Eunhee Park, Jennifer Toller Erausquin, Robin Bartlett, coauthors

Racial-ethnic Disparities and Risk Factors in Latent Class Trajectories of Antisocial Behaviors

Ryann Morrison, University of Wisconsin–Madison
James Li, coauthor

Mapping Fluidity, Multiplicity, and Consistency in Racial/ethnic Identification

Jiannbin Lee Shiao, University of Oregon

Paper Session 12: Nutrition/BMI – Balcony B

Moderator: Lisa Kaeser, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development

GMM Logistic Regression Model for Obesity with Time-Dependent Covariates

Rachael Rhodes, Arizona State University
Jeffrey Wilson, Di Fang, coauthors

Heavily Stressed?: A Longitudinal Examination of the Effect of Bodyweight Perception on Chronic Stress

Heather Covington, University of Florida

Health Disparities from Adolescence to Early Adulthood among Individuals with Disabilities

Lindsay A. DuBois, University of Wisconsin–Madison
Maureen Durkin, coauthor

Weight Misperception and Frequency of Fast Food Consumption among Overweight and Obese Adolescents in the U.S.

Silda Nikaj, Texas Christian University
Aliaksandr Amialchuk, Mir M. Ali, coauthors

2:15 Adjourn
